WHAT IS OSTOMY ASSOCIATION OF IRELAND

The Ostomy Association of Ireland was previously known as IA Ireland. It was established on the 30th May 1964 and is the National Support Organisation for people who have a Stoma or Internal Pouch. Individuals of all ages can have a Stoma. Stoma surgery is undertaken to treat a range of illnesses including Cancer, Diverticulitis, Ulcerative Colitis and Crohn's disease or following a trauma of the abdomen.

There are three types of Stoma

Colostomy, Ileostomy and Urostomy. All are diversions of the Bowel or Bladder and there are some differences between them.

The Ostomy Association of Ireland seeks to have a close working relationship with:

IA - Ileostomy and Internal Pouch Association.

CA - Colostomy Association

UA - Urostomy Association

The Ostomy Association of Ireland has applied to become a registered charity with the CRA - The Charities Regulatory Authority in Ireland. It is hoped charitable status will be approved in 2019.

The Ostomy Association of Ireland is a member of the WHEEL who are a National Organisation for the Voluntary and Charitable Sector in Ireland.

The Ostomy Association of Ireland seeks to become a member of the European Ostomy Association and International Ostomy Association in 2019.

The Core Objective of the Ostomy Association of Ireland is to help those facing Stoma Surgery to return to a normal lifestyle as soon as possible after surgery. *Most of our members have a Stoma, so we can say:*

We Understand, We Know & We Care
